## List of Extra Things to Take to Bonaire

**Double check!**

**Don't forget your Passport, and any scuba gear.**

**We will be teaching extra Dive Specialties every day.**

**Let one of our instructors know what certification you might be interested in earning in Bonaire.**

- Parrot Island Diver T-shirts
- Sun Screen
- Long Sleeve shirt to keep sun off your arms
- Parrot Island Cap or hat. The sun is very strong and there is no shade between dives.
- Flashlights for night dives or looking in tidal pools
- Extra batteries.
- Insect repellent (non aerosol).
- Collapsible cooler for water and drinks to take in truck.
- Hard soled beach shoes for walking on the coral. Keens are great.
- Music, Jimmy Buffett is always good on the beach
- Books, there isn't much on TV
- Coffee and filters
- Powdered drink mix to flavor your water
- Logbook
- Camera
- Ziploc sandwich bags to keep things dry
- Save-a-Dive kit. Extra fins straps and mask.
- Light wind-breaker or sweat shirt for after the evening dives
- Cash for all the Specialty dives you can earn in Bonaire, Night, Deep, Wreck, Navigation.....

- \_\_\_\_\_

You are only allowed 50 lbs per bag. I carry on my regulator and BCD, shaving kit and bathing suit and a change of clothes. If the airline loses my checked bag, I can still dive and brush my teeth. You will not have to pack your weights. The dive shop has them.
